Mission Statement “We are special people on a journey, growing and learning together in search of excellence, as we follow in the footsteps of Jesus.”

14th July 2020

Dear Parents/Carers

We hope you are all safe and well. We have very much enjoyed seeing all the pupils as they have returned for their face to face sessions and have been delighted by their enthusiasm to return to school.

We would like to extend a huge thank you to all parents who worked so hard with their children during lockdown. We now look forward to the long-awaited summer holiday and hope you all get some rest and relaxation with your families.

Staff have discussed ways of preparing the children for their September return following the long period of school closure and have made a ‘catch-up’ plan which you may avail of during the summer to keep basic skills fresh. Each class will be provided with some ‘catch-up’ revision work on their learning page on the website by Friday 17th July. We will provide some math’s revision, comprehension, spelling and if appropriate grammar activities. All activities will be matched to their year expectations.

We will also leave all the plans that were provided during this term on the website just in case you have missed any activities that you wanted to access.

We would like the children to bring in their exercise books that they used during lockdown and any catch up activities they complete with them in September. Teachers already have access to Purple Mash activities and any work pupils have uploaded to their folders – please keep uploading work to the folders for us to see in the new term.

If you would prefer to have photocopied pack of the ‘catch-up work’ please let the school know by Thursday 16th July which you can collect from school by Friday 17th July.

We realise that everyone’s situation is different, if for any reason you cannot complete the ‘catch-up’ activities – don’t worry, but do let us know in September. We are working hard at school to find ways to ensure children settle in and ‘catch-up’ as quickly as possible.

Thank you for your on-going support.

Best wishes

Senior Leadership Team
