

Alleyn's 11+ Open Events

The registration window is now open and will close at midday on Friday 6 November. The registration form is available via the Admissions pages of the School website [here](#).

We are still working on the exact shape of our 11+ process and will be updating prospective families on a regular basis.

Virtual Open Events

Like most schools, Alleyn's is not open to visitors this term, and instead we invite families who would normally attend an open event on site to find out about life at Alleyn's and the 11+ process via our Virtually Alleyn's Open Event.

You may [view the View the Virtually Alleyn's Open Event here](#).

Our virtual event includes presentations from me and also from Jane Lunnon, who will take over as our new Head in January 2021. There are words about life in the Lower School from Stuart Turner, Head of Lower School and 11+ admissions. Astrid McAuliffe, Deputy Head (Academic), provides an overview of the admissions process. There is a Frequently Asked Questions segment and our School Captain and senior pupils provide some lively commentary. I hope you and your community find it useful.

Parents will also find the current School Prospectus and Admissions Supplement on the Admissions pages of the School website.

Virtual Meetings

In addition to the virtual open events, we also invite parents of Year 6 pupils to join an informal small group discussion with a member of the Senior Management Team and Admissions Team to learn more about the admissions process. These meetings will take place via Zoom in groups of up to 6 families and afford them the opportunity to ask any questions they may have. We ask families to register for these chats via the same link as the virtual open events.

More generally, our Registrar, Ms Mawer and her colleagues in the Admissions Office are very happy to answer any queries parents may have. Her email is registrar@alleyns.org.uk and the telephone number is 020 8557 1478.
