

English Martyrs Reception Parents

## Register for the Parent portal.

The school health team will be coming to see the children this year to carry out some health checks.

These checks include a vision and hearing test, it also includes a height & weight measurement for the National Child Measurement programme (NCMP)

Please scan the QR code above to register, on the portal you can:

- Read more about the reception health checks.
- Opt out of any checks you don't want.
- Fill out a health needs questionnaire so the school health team can offer any support you may need.
- Receive the results of your child's health checks.

(Please note we do not send a paper copy of these results unless you have requested it)

For help with registering for an account, please call **0203 958 4181**
