

# La Sainte Union School

## Open Mornings for Year 7 Admission September 2021

La Sainte Union is an inclusive school and the Governing Body welcomes applications from girls of all faiths.

Due to Covid-19 restrictions, we have had to close registration for our Open Evening on 24 September because we have reached the maximum permitted numbers.

We are providing virtual open morning sessions. Our Headteacher, Mrs Fegan, and student ambassadors, will be speaking and taking questions. All the information is available on the website and below is the link to the registration form which can be shared with parents.
