Dear Parents/Carers

Welcome back after the Easter holiday. We hope that you had a really good holiday and that the children are refreshed and ready for the summer term. We have some details of the topic for this term to enable you to support your child in his/her learning.

During this term we shall be focusing on 'Traditional Tales'. At all times we involve the children in our planning and take learning from them as we progress. Anything that you can do at home to encourage your child in his/her learning will be really valuable.

You can support your children's learning at home through daily reading. This will enable them to further develop their vocabulary and communication skills. Also, to extend their vocabulary and awareness of sounds I will send a booklet about '20 things you can do before reading'.

Just as a reminder the 'All about me book' will be used as a record to celebrate your child's achievements both at home and at school that will be sent home once per term. It is important that the book comes to school as advised with some added comments of your child's accomplishments at home.

The weather at this time of year can be very unpredictable. Please apply sun cream before your child comes to school if it is hot. We are happy to reapply sun cream as necessary. Please bring sun hats/caps and a lightweight coat/raincoat as the children have access to the outdoor area at all times.

Finally, we would like to thank you for your continued support and encouragement with the children's learning.

With best wishes

Mrs Bracken
