

In Literacy we will:

- Read Traditional Tales
- Listen to stories
- Draw and label characters
- Use puppets and role playing to further explore tales.

In Understanding the world we will:

- Show curiosity in the natural world
- Talk about the changes we see in Autumn
- Look at the topic of "Harvest" and learn about how food is grown and produced
- Bake bread

In Maths we will:

- Develop our counting skills and number recognition
- Recognise and describe shapes
- Explore non-standard ways of measuring

In Expressive Arts and Design we will:

- Make salt dough models of ourselves
- Using natural materials to achieve different effects; leaf rubbing, natural collage
- We will engage in role play activities
- Observational seasonal drawing

In Physical Development we will:

- Develop independence in dressing and changing for PE; buttons, fastenings and shoes
- Developing increased control of body movements and using music to create and perform simple dance routines

Reception

Fairy Tales

In Religious Education we will:

- Thank God for our beautiful world
- Celebrate the changing seasons and the time of harvest
- Learn new songs

In Communication and Language we will:

- Talk about ourselves, our families and experiences
- Retell stories that we have been learning together
- Learn new vocabulary relating to the seasonal changes around us

In Personal and Social Development we will:

- Talk about what makes a good friend
- Be aware of the needs of others and share our things
- Learn to take turns

Trips, events and visitors...

We will visit our local supermarket to learn about fruit and vegetables and buy ingredients for bread-making.
