

Reception: Autumn Term 1

Marvellous Me!

In Literacy we will:

- Learn initial sounds and work on blending and segmenting
- Work on rhyming words with matching sounds
- Recognise phase 2 letters
- Write our names, practising letters that appear in them

In Understanding the world we will:

- Observe changes in the natural world around us
- Plant and care for our garden
- Observe similarities and differences between ourselves and others

In Maths we will:

- Learn to count accurately and effectively within 5
- Work on recognising and representing quantities and numbers to 5
- Name and describe 2D shapes
- Use comparative language of size

In Expressive Arts and Design we will:

- Make artwork using natural materials
- Make models of animals using clay
- Draw and paint portraits of ourselves and our families

In Religious Education we will:

- Read the story of creation
- Thank God for the beautiful world he created for us
- Think of ways we can look after God's creation

In Physical Development we will:

- Learn to put on and take off own coats and jumpers
- Experiment with different ways of moving around the hall
- Learn good pencil and pen grip
- Work on scissor skills

In Personal and Social Development we will:

- Learn about internet safety with Smarty the Penguin 
- Talk about emotions (sad, happy, worried, angry, excited, surprised)
- Learn how to share and listen to the needs of others
- Practise turn-taking

In Communication and Language we will:

- Talk about ourselves and our likes and dislikes
- Share weekend news
- Talk about our emotions
- Listen to others
