

## World Book Day in Reception Class

We love books!

Reception Class celebrated World Book Day by dressing up as characters from our favourite stories. The children got into character and we had some fantastic imaginative play as superheroes played alongside ballerinas and astronauts and knights went on quests with ladybirds and princesses!

We held a parade and competition with the other classes in Early Years and Key Stage 1 to see all the other amazing outfits. At home time, Reception Class joined forces with Year 2 to share their reading books and read to each other.
