G6.1: Synonyms and Antonyms

What are synonyms?

Synonyms are words which have the same (or a very similar) meaning to each other. An example of this is the word 'great' and the word 'excellent'. Both of these words share the same meaning.

My best friend is great at football. My best friend is excellent at football.

In this sentence, it does not matter which word you choose to use; both words give the sentence the same meaning.

What are antonyms?

Antonyms are words which have the opposite meaning to each other. An example of this is the word 'always' and the word 'never'. These words have the opposite meaning.

My best friend always scores goals. My best friend never scores goals.

In this sentence, using an antonym gives the sentence the opposite meaning.
